ARTISTIC STYLE

It is an honor and joy to serve as an active part of your special events. Please take time to review my work and ensure that you trust and like my artistic styles and abilities. You can be assured that I will create your project to the same quality as the similar samples shown on my website.

HANDWRITTEN WORK

Be mindful that unlike computer-generated fonts, the beauty of handwritten calligraphy is the natural variation in form and layout. These variations make every handwritten piece a unique work of art.

PHOTOGRAPHY

You are welcome and encouraged to share images of my work on social media or online. Please ensure that you clearly credit me on any and all posts (Calligraphy by Leah Spiros and tag @wrappedwritten). Professional photos of my work are very appreciated.

LICENSING

As the artist, I remain the sole owner of all artistic rights. Commissioned art is for personal use only; separate commercial licensing agreements are available. Additionally, in respecting other artists, I reserve the right to not duplicate or replicate others' copyrighted work.
